

INTRODUCTION TO **DYNAMIC LANGUAGE**

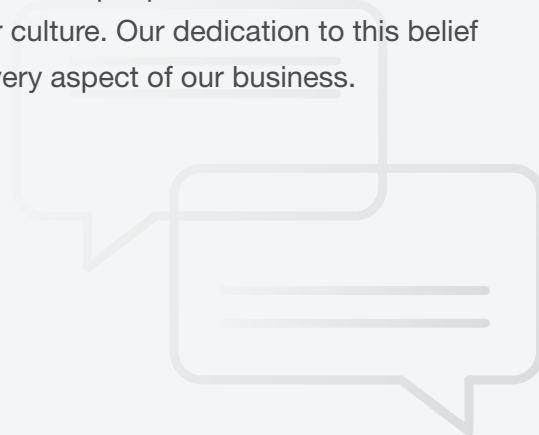

Premium language services for all of your business needs.

Since 1985, Dynamic Language has provided superior language translation, interpretation and localization services to clients around the world. We are one of the largest professional translation service companies in the country, headquartered in the heart of Seattle.

THE DYNAMIC **DIFFERENCE**

We strongly believe that communication matters.

Being able to effectively communicate with people is a basic but vital component to business success, especially in a globalized economy. Our clients understand that we are a partner who tirelessly works to ensure that people understand the written and spoken word in a way that respects their culture. Our dedication to this belief drives us to be accurate and contextual in every aspect of our business.

“ I can't say enough good things about Dynamic Language - My project manager and his team take really good care of us. We often have complex requests, and they always accommodate us brilliantly. ”

TRANSLATION

We translate written content from one language to many.

Translation is more than just words. When we translate from one language to another, we are careful to retain the original meaning, tone and intent. As a result, the message you plan to deliver is the message received.

Because we support all major graphic design, word processing and presentation software, we can deliver your project in virtually any format, for use in print or online.

WE TRANSLATE:

- All content related to your business (i.e. legal, marketing, instructional, educational, etc.)
- Content of all length and complexity
- In both audio and visual formats

INTERPRETATION

We facilitate face-to-face understanding through professional and perceptive interpreter services.

When people from different language backgrounds need to understand each other (whether face-to-face or by phone), an expert certified interpreter from Dynamic Language will bridge the gap.

WE OFFER:

- Spoken interpreter services in over 150 languages
 - Live interpreting in your specific locale
 - Phone interpreting services globally
- Sign language and tactile interpreter services
- Simultaneous (conference) interpreting
- Services 24/7

“ Dynamic Language was great to work with: they were efficient, sensitive to our timing needs, and very responsive.”

LOCALIZATION

We foster localization, globalization and internationalization.

For a product or service offering to be perceived as “native”, it must be presented in a way that adheres to the local cultural understanding of potential clients. We develop, edit and test all localized content, to ensure that your message will be understood and accepted wherever potential clients may be located.

WE OFFER:

- Website Localization
 - Translate text to preserve accuracy, tone and intent
 - Adapt language to fit cultural norms
- Software localization
 - Provide thorough testing and quality assurance process
 - Verify coding, help files, UI and all supporting documentation functionality

TRANSCRIPTION

We create text files from your audio content.

Converting audio files to text can be time-consuming and tedious. With our incredibly fast and accurate transcription services, you can let us do the hard work for you.

WE TRANSCRIBE:

- Business presentations
- Industry conferences
- Interviews
- Sources may include CD, cassette, digital files (e.g. WAV, MP3, etc.) and video.
